To whom it may concern

François Vincent has made a name for himself during the past few years as the publisher of Edition R2/12 („R Deux Douze“).

During the last year we were able to present Mr Vincent's first 18 published prints of John Armleder to Olivier Mosset at the ETH Collection of Prints and Drawings in an exhibition of his own.

His silkskreen prints are characterized by the highest possible printing quality, and by their outstanding artistry.
